Company Profile

公司簡介

星寶機械股份有限公司 是台灣專業塑料機械製造廠，是台灣塑料機械業界的著名品牌。多年來致力於各種塑料機械的研發、設計和生產。公司產品已遍及世界各地…例如：中國大陸、俄羅斯、馬來西亞、泰國、越南、印度、沙烏地阿拉伯、巴西、突尼西亞、埃及、伊朗等國。至今已有 300 套生產線在世界各地成功運作，深受客戶好評及信賴。我們本著【精益求精】【品質第一】【客戶至上】的企業精神，也是全體員工努力的方向，不斷追求新的技術及完整的售後服務。我們相信客戶的成長就是我們的成長。

Hsinpow machinery is a leading plastic extruder sheet making machine manufacturer in Taiwan. For years, we have devoted in research, development and design for various kinds of Qualified plastic extruder machines. There are over 300 sets of our production lines being operated with high quality and production capacity reputation worldwide. Our machines have been especially well promoted in markets such as China, Russia, Vietnam, Malaysia, Indonesia, India, Thailand, Saudi Arabia, Brazil, Tunisia etc. With innovative R& D and on-going testing and our know-how, we are confident to provide the best Qualified plastic extrusion machine and after-sale service for your best production and profit. "Make Contributions to Clients' Development" is the faith to keep Hsinpow going forward.
