地毯式貼合夾鏈袋高速封切機

## ZIPPER APPLICATOR AND HIGH SPEED SILICON CARPET SIDE SEALING MACHINE

Shapes of Product

# ZIPPER APPLICATOR AND HIGH SPEED SILICON CARPET SIDE SEALING MACHINE 地毯式貼合夾鏈袋高速封切機

## TS800SZ

### 機械特性：

- \* 本機適用LDPE PP OPP CPP 和BOPP。
- \* 本機採用全自動伺服馬達電腦數值控制長度、操作簡便、封口牢固、品質美觀。
- \* 製作過程從整捲膜捲、三角對折、自動對邊、割邊、穿夾鏈、貼合、自動入拉頭、印刷電眼、打洞、超音波壓平、熱切斷、自動計數，全程採用PLC控制系統全自動作業。
- \* 本機附有無料自動停車設備、印刷電眼失效自動停車設備、溫度不夠自動停車設備。

### The Machine Features:

- \* The unit suitable for LDPE PP OPP CPP BOPP.
- \* The machine uses fully automatic digitalized servo motor to control length; it is easy for operation and provides strong sealing and quality appearance.
- \* Process of production begins from rolled film, triangular folding device, automatic edge alignment, slitting, zipper attachment, automatic slider insertion, photo cell, hole punching, heat cutting and seal and ends with automatic counter; all of the above operations are fully automate by PLC system.
- \* The machine equips automatic stop equipment for running out of material, photo cell error and temperature abnormality.

### SPECIFICATION:

| 貼合裝置 Zipper Applicator                             |                                   |                                                                  |
|----------------------------------------------------|-----------------------------------|------------------------------------------------------------------|
| 引取馬達                                               | Take-Up Motor                     | 1HP AC+Inverter(變頻器)                                             |
| 鐵氟龍耐熱皮帶                                            | Teflon Heat Resistant Tape        | 4Pc                                                              |
| 貼合鋼刀                                               | Copper Attachment Knife           | 2 pcs                                                            |
| 割邊設備                                               | Side Slitting Knife               | 1 Set                                                            |
| 夾鍊條放料設備                                            | Zipper Storage Frame              | 1 Set                                                            |
| 800mm引取輥                                           | 800mm Take-Up Roller              | 1 Set                                                            |
| 側封裝置 Side Sealing Unit                             |                                   |                                                                  |
